

THE NEW MISSOULA PUBLIC LIBRARY: A LEGACY OF SHARING

A COMMUNITY ICON: BUILT BY GENEROSITY

Funding a tile on the new Library's Donor Wall is a great way to remember a loved one, honor a community member, or celebrate a relationship — all while supporting the most iconic public project Missoula will see in decades. Dedicated tiles are available for a minimum \$500 gift.

Each \$500 donor tile is approximately 6" x 3". Tile sizes graduate incrementally at the \$1000, \$5000, \$15,000, \$25,000, \$50,000, \$200,000, and \$750,000 gift levels. A simple message with modest character count is ideal for tile legibility and will best complement the overall design.

CONTEXTUAL DESIGN: A LIBRARY SHAPED BY PLACE

Missoula Public Library's design team has developed an architectural program that draws on the geography and geology of our region. The new Library offers several ways to enjoy and study the local landscape, and each level of the building references Missoula's environment.

The design of Level One is infused with the robust energy of a river, and the **Donor Wall** on this level is patterned after a section of the Clark Fork that flows through town. Tiles are arranged like polished stones in a riverbed, reflecting natural light and activity around them.

Please note: Design is conceptual and may be subject to minor changes during implementation or installation.
