**Cost:**  
\$11,586.00

#### **Exceptions and Clarifications:**

1. Price is valid for 90 days. Pricing is actionable as outlined in this proposal.
2. All electrical and control system wiring will be provided and performed by others. The cost of this wiring is not included in this proposal.
4. Shade sizes and quantities may change based on client needs and can be reconfigured and requested.
7. Any obstruction to shade travel that prevents the shade hem-bar from freely traveling/moving will cause walking/tracking of shade cloth, which may result in damage from the fabric hitting the bracket. This will void the shade warranty.
