Dues are currently \$10.00 per year for individuals and institutions and \$12.00 per year for families, and includes a monthly Newsletter (Sept.-May) which publishes free queries for members (\$1.00 for non-members). Dues may be sent to the society at the above address.

Meetings are held the second Thursday of the month (Sept.-May) at the Meeting Room of the Western Federal Savings and Loan Southgate Branch, 2601 Garfield, Missoula MT at 7:30 P.M.

At our last meeting we listened to a talk given by Alex Haley at a World Conference on Records meeting. If anyone is interested in the details of his genealogical searches they are given in two articles in the Genealogical Journal, Vol. 6, no. 3 and no. 4 (Sept. 1977 and Dec. 1977) which are available at the Branch Library.

APRIL MEETING will be on Thursday, April 11th at 7:30 P.M. Joan Haefer and Jennifer Thompson of the Montana Historical Society in Helena will give a talk and slide show on "Women Homesteading in Montana" which should be very interesting. This month the Historical Museum at Fort Missoula is putting on two shows whose topics were important to our early women pioneers - quilting and schools. Currently showing is "Threaded Memories A Collection Of Quilts" which will include a lecture on quilting by Barbara Marsac on Thursday, April 19 th at 7:30 P.M. Opening Sunday, April 14 th, will be "Country School Legacy: Humanities On The Frontier" which is a history of the nations country schools.

QUERY A member, Victor J. Meyers, 2216 Evergreen Ln., Woodridge IL 60517, writes that he has a photo dated Oct 1889 taken at H. P. Heacock's sawmill in the Bitterroot Valley showing his gf. Hiram

L. ROBERTS, and his g-gf. James ROBERTS. According to family tradition, James ROBERTS was a minister and was married to Caroline BAILEY and also to a BLAIR. Hiram L. ROBERTS was b.20 Oct 1865 in Waterloo, Iowa and is thought to have taught school on the Indian Reservations in the Missoula area. Any information on either of these men or their families would be greatly appreciated.

19 th Century Land Ownership Maps used to be very expensive to get copies of from the Library of Congress Collection, but the collection is now partly on microfiche and this part is available at \$4.00 per fiche. The book, Land Ownership Maps - A Checklist is available at the University of Montana Library. From this you can see if the map you are interested in is available, then write to Photoduplication Service, Library of Congress, Washington, D.C. 20540 mentioning the book and map number, asking if it is available on microfiche.

LIBRARIES The entire issue of Library Trends, Summer 1983, is devoted to genealogy. It contains articles on the following libraries: Genealogy Library in Salt Lake City; National Archives; Library of Congress; Newberry Library; the Fort Wayne, Indiana Library; State Archives; Academic Libraries; and the New England Historic Genealogy Society. There is also an article on researching Black family history. The issue is available at the University of Montana Library, call no. 020.5 L6976.
