MONTHLY MEETINGS - Held on the second Thursday of the month (Sept.-May) at 7:00 pm in the small meeting room of the Missoula Public Library.

FEBRUARY MEETING - Thursday, Feb. 8th at 7:00 pm. The room has been changed to the Large Meeting Room of the Missoula Public Library. The speaker will be Marcia Porter, who will talk about "Records in the County Courthouse". Marcia works with the records in the Missoula County Courthouse and is very knowledgeable about what kinds of records you can expect to find in a county courthouse, as well as which records are open to the public and which are restricted. Some of the records that Marcia has found in the Missoula County Courthouse that could be useful to genealogists or historians include oath registers, brand inspections, articles of incorporation, certificates if fictious names, hospital, and poor farm records. This should be a very informative program with information that could be useful in courthouse research in almost any county.
