

## Proposed Dress Code change

The Labor Management Committee met and would like to request a vote on the following change;

- Staff members are expected to dress in a professional manner that will inspire confidence in their ability to perform their job functions. ~~Blue jeans are not permitted except when worn by maintenance staff or other staff members on days when the library is not open to the public. Exception: staff may wear blue jeans the last Friday of each month and every Saturday. Staff may pay \$1 to wear jeans on all other Fridays. The money will be donated to support the services of the HOT Team.~~
