## OVERCOMING "BRICK WALL" ISSUES IN FAMILY HISTORY RESEARCH

Please join us for a discussion of "brick wall" research issues that confound and frustrate family history researchers. Individuals will make brief oral presentations of the research issue and relevant facts; the group will offer a discussion and suggestions to assist in further research and the problem. You need not be a member of WMGS to present your brick wall issues.

## Discovering the choices they made. And why.

Country music legend Reba McEntire was determined to find out why. Why wasn't her great-grandfather in the census? Why did her 7th great-grandfather send his young son to a new land as an indentured servant? Her quest to uncover the truth - to understand history, events, even personal motivations - is what helped Reba find the answers she was looking for on episode 4 of Who Do You Think You Are? (Miss the episode? Watch it on NBC.com.)

It's easier to understand why when you see a person's actions against the backdrop of history. And the best way to do that in your own family tree is to plot your discoveries on a timeline.

#### Step 1: Start with the facts.

Create a simple timeline with pen and paper or a wordprocessing document. Add basic information you know about a relative and his or her immediate family. Jot down names, dates, places and key events in chronological order. Add details from census records, family stories and any records you find at home. March 2012

## South Dakota State Historical Society's Archives to go Digital

The State Archives, in the Cultural Heritage Center in Pierre, collects, preserves, and makes available manuscript collections, South Dakota state, county and local government records, photographs, maps and other archival materials which have permanent historical and research value. Now, the South Dakota Digital Archives, an online resource that went live in January, makes these collections more accessible to the public, as well as to protect the originals. Photographs available online include statewide historic buildings and structures, and photographs from the Black Hills collections, including scenery, towns, railroads and people.

### **New Scottish census records**

findmypast.co.uk has just published the 1881 Scottish census.

Now search the 1841-1881 Scottish censuses on the site, with future censuses coming soon. If you haven't been able to find your ancestors in the previous censuses, it's **well worth searching** the 1881 census to see if they make an appearance.

## Bits & Bytes

## Family History Books—Beta http://books.familysearch.org

Family History Books is a collection of more than 40,000 digitized genealogy and family history publications from the archives of some of the most important family history libraries in the world. The collection includes family histories, county and local histories, genealogy magazines and how-to books, gazetteers, and medieval histories and pedigrees. The valuable resources included in Family History Books come from the following partner institutions:

- Allen County Public Library
- Brigham Young University Harold B. Lee Library
- Brigham Young University Hawaii Joseph
   F. Smith Library
- Church History Library
- Family History Library
- Houston Public Library Clayton Library Center for Genealogical Research
- <u>Mid-Continent Public Library Midwest</u>
   <u>Genealogy Center</u>

(Continued from page #1)

## Step 2: Add history and supporting records.

Give your timeline context by adding historical events. Include big ones that may have affected your ancestors (for example, the U.S. Civil War or the California Gold Rush) and smaller ones specific to your family (moved to Chicago, attended college in Texas). Use these events to help you find additional records like draft cards, newspaper articles, yearbooks, obituaries or city directories.

## Step 3. Analyze.

Look at your timeline. Does everything add up? Gaps and inconsistencies can show where a nd when to look for records. For example, a widow with a six-year-old child in 1910 is an invitation to look for the husband's death certificate between 1904 and 1910.
