Community Engagement

- Continued interest in Writers' Group and D&D during the end of the summer, not so much for the Arts & Crafts. Amanda Allpress confirmed with the school district that SpectrUM is indeed able to help us offer library programming at the branch, the school agreed to rewrite their MoU.

Core Services

- Made the transition to the academic year smoothly. Hours updated and some new students are already getting library cards.

Sustainability & Wellness

- Ran air filter in the library to combat wildfire smoke.
